

## Catering Menu

Hacker's at Silver Sage has a wide variety of catering options for your next special event. Whether you are putting on a golf tourney or just looking for a social gathering, let us help you with all your catering needs.

To ensure your event is the talk of the town, we request that all events for guests 20 or more people are done through our catering contract.

### Quick Overview

1. Air Force regulations prohibit outside food and beverages from being brought into Services facilities. The only exception is for cakes on special occasions. We will try to accommodate just about anything you might have in mind, just let us know what your ideas are.
2. We provide over 30 different beer selections and can easily go as far as opening a full bar for any event. Outside beverages (including coolers) are not permitted on the premises.
3. To ensure we can accommodate your needs, we request a minimum of 48 hours notice for any catered event.
4. We will need your final guest count 24 hours prior to the event. Due to the preparation involved, we charge for the number of people that are confirmed 24 hours prior to the event. In cases where you have to add people at the last second, we will make every effort possible to accommodate.
5. Payment for all functions is due at the end of the event.
