

WING RIGHT START

Welcome to Mountain Home AFB. We look forward to sharing with you what makes Mountain Home one of the best kept secrets in the Air Force, *the people*. Though we are a small base in the middle of a remote area of Idaho, the people you will meet make it the friendliest place to live, work, and play.

Wing Right Start is the best way to start off your time at the base. The program is mandatory for all military. Spouses are invited to attend so that they can put a face to a place around the base. We offer a special afternoon session at Right Start for spouses to meet each other and find out from other spouses the things that matter most to them.

We know that you have a lot of things to take care of when you first arrive. To make it easier on you, we provide **FREE CHILD CARE** so military members and their spouses may attend together.
